## Biography

### Dorothy J. Tiffany

Program Business Manager

Structure and Evolution of the Universe Program & New Millennium Program  
NASA Goddard Space Flight Center

Ms. Tiffany is responsible for the development and management of project management systems for the eight satellite development projects within the SEU/NMP Program.

Prior to this position, Ms. Tiffany served NASA in numerous capacities including: Deputy Program Manager / Resources for the Polar Operational Environmental Satellites (POES) Program, Deputy Project Manager / Resources for the Tropical Rainfall Measuring Mission (TRMM), Financial Manager for the Tracking and Data Relay Satellite (TDRS) Project and Chief of the Goddard Financial Management Division. Ms. Tiffany is a frequent speaker at project management conferences and NASA training courses. She is also very active in NASA's mentoring program.

Ms. Tiffany is a Certified Public Accountant, with a B.S. degree in Accounting from the University of Maryland. She was awarded the NASA Exceptional Achievement Medal and the NASA Exceptional Service Medal for her work in finance and project management. Ms. Tiffany is a member of the Project Management Institute (PMI) and the College of Performance Management (CPM). Ms. Tiffany is the Co-Chair of the First NASA Project Management Conference.
